

## FABRIC ROLL-UP DOORS

Dok-Dor is a virtually maintenance free door designed for your dock openings.

### Unitized construction

For quick and easy installation.

### Low profile side frame

3-1/2" heavy-duty steel channel construction for impact and minimal projection.

### Heavy-duty door panel

Made of reinforced tear resistant fabric for durability and low cost maintenance.

### Durable retention clips

Release from side frames on impact for easy no cost repair. Provides multi-directional wind resistance.

### Separating bottom rail

Heavy gauge aluminum separating bottom rail is 7-1/2" high for protection and strength.

### Tight weather seal

Keeps exterior elements from affecting internal operations.

### Easy Operation

Chain hoist and integral counter balance spring for easy operation. Operator ready option available.

## THE DOK-DOR BY RITE-HITE IS YOUR SOLUTION FOR COSTLY DOCK AREA DOOR DAMAGE.

Rite-Hite Doors offers the Dok-Dor for your dock area needs. With an impactable fabric curtain and separating bottom rail, it will eliminate expensive repairs and frequent panel replacement. No more repeat damage with Dok-Dor. It is virtually maintenance free.

For more details on our full lineup of industrial, cold storage and impact doors, contact your Rite-Hite Doors Representative or call 1-800-456-0600.

## Size
