

BUGSHIELD™ SCREEN DOOR

RITE·HITE
DOORS
The Leading Edge In Door Safety.

INDUSTRIAL DOORS

PROTECT YOUR FACILITY FROM NATURE'S INVADERS WITH
OUR FULL LINE OF INNOVATIVE INDUSTRIAL DOORS.

Our heavy-duty vinyl-coated mesh and durable sewn-in wind bars provide better stability and make BUGSHIELD™ screen doors the perfect solution to open doorways and loading docks.

RITE·HITE®

Keep unwelcome
guests out while
letting fresh air in.

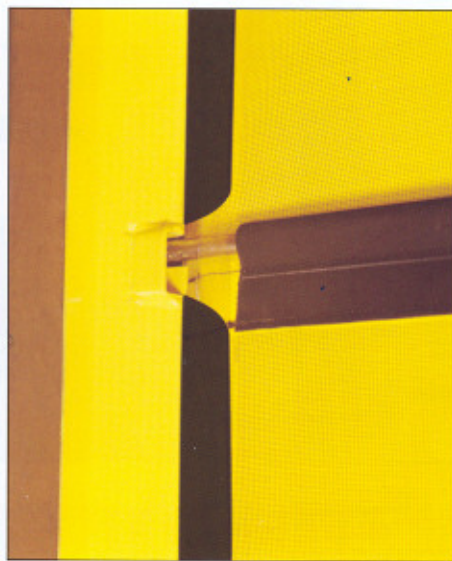

Maintain security and productivity.

A BUGSHIELD screen door from Rite-Hite keeps pests like birds and bugs out, while fresh air flows in so employees are more comfortable and productive. Plus, they'll feel safer with a visual barrier that also deters theft and vandalism.

PVC or optional steel tracking with polyethylene insert guide provides smooth, wind-resistant rolling action.

Secure latch on each side keeps curtain in closed position on manual models.

Bumper stop prevents over-travel and a water-resistant bottom seal helps prevent moisture and pests from entering at the floor.

BUGSHIELD SCREEN DOOR

INDUSTRIAL DOORS

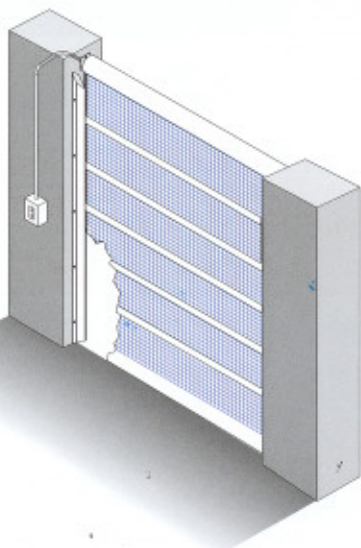

No top gap with our exclusive Turn-Tite® seal.

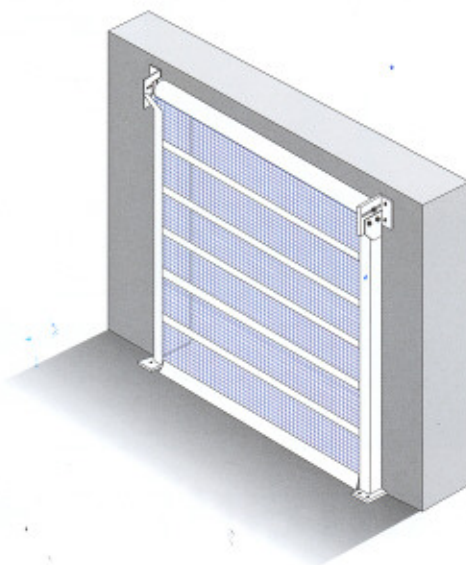

Attachment of curtain to roller is easy with touch and hold fabric.

Choose the mounting type that fits your application.

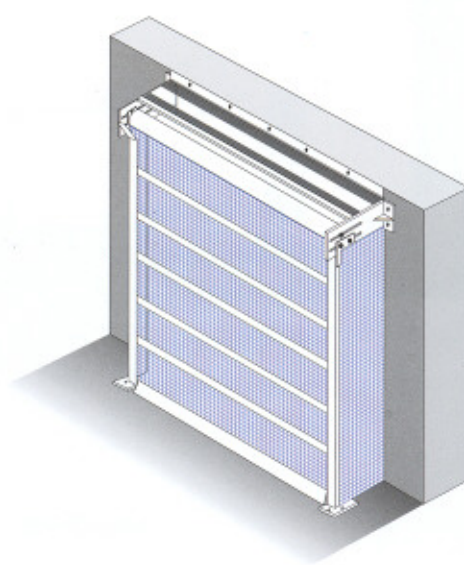

Choose the mounting type that best fits your application, from standard or narrow in-jamb mount, to face mount or overhead door mount. Even a convenient sliding design is available for larger openings.

Standard or narrow in-jamb mount.
